**Caledon Soccer Club House League Plus**

Caledon Soccer Club is excited to launch its House League Plus (HL+) Program in the summer of 2019. The CYSC offers House League Plus as an option for age groups **U8 to U12**.

This exciting program offers our house league players the opportunity to participate in one scheduled game PLUS one scheduled training session per week.

HL+ players will play their house league games with their assigned volunteer coach, whilst the training sessions will be run by a **paid certified soccer coach following a CYSC designed curriculum.**

All games and training sessions are designed and delivered in compliance with the LTPD Recreational Matrix issued by the Ontario Soccer Association.

This is for the players that want to improve their individual skills as all sessions are for individual player development not team oriented.

### **House League**

The player will play one game per week, on the assigned age group night.
