

Provincial and National Pathway

Caledon Soccer Club is aligned with the Provincial Player Pathway and National Player Pathway. Caledon Soccer Club follows the player recommendation process U13, U14, and U15, which is reflected in the success of its top players.

Caledon Soccer Club supports the Soccer 4 Life Pathway. The Provincial and National Player Pathways are discussed during the Caledon Soccer Club kick off meetings at the start of each season where information is shared about the program and the process to get into it. Coaches, parents and guardians are also advised to familiarize themselves with the information bulletin I2017-028, which can be accessed using the following link:

<https://www.ontariosoccer.net/player-talented-pathway>

Caledon Soccer Club recommends players to the Provincial Pathway through the screening process U13 Provincial Screening - Provincial Program, and TFC - Early Scholarship.

Caledon Soccer Club is not an OPDL club, but the club does communicate to all players and parents in our development program about the Ontario Player Pathway.

Caledon Soccer Club supports Canada Soccer Association Wellness to World Cup, Long-Term Player Development, which can be accessed here:
