Zoom Information Meeting

The Provincial Government of Ontario announced that Peel Region will be moving to Stage 2 of the Ontario Reopening Plan on Wednesday, June 24, 2020.

In Stage 2, Team Sports (Pending Municipality Approval) may resume with strict Social Distancing Measures. No Contact based activities and Gathering Restrictions of 10 people or less in designated training groups must be respected at all times. Other considerations (amongst many) are Hygiene Protocols, Contact Tracing and Facility restrictions that need to be aligned with Peel Public Health and the Town Of Caledon.

Caledon Soccer Club has been approved by Ontario Soccer and Canada Soccer through their Risk Mitigation process for Return to Training. We have a start date of July 9th, 2020. Our next step is to continue connecting with the Town Of Caledon and discuss our Return to Train plan, plus collaborate on latest Municipality Safety requirements, Facilities and Reopening Timelines. The Return to Train process is moving forward in a positive direction and our website and social media will continue to post up to date information. All the Club protocols and safety measures implemented will comply with the government and OS Return to Train Protocols.

We are hosting Zoom Webinars with our Club Membership to inform you of all the requirements and training protocols in preparation for the reopening of Caledon Soccer Club.

We will be addressing the following:

- Return to Training Protocol Review
- Field Set Up
- Caledon Soccer Facility Set Up
- Player Considerations
- Waivers & Declaration of Compliance
- Action Steps & Timelines
- Questions & Answer
