

Rule of 2 Policy

Caledon Soccer Club adopts the Responsible Coaching Movement Program as a whole three step program, which the Rule of 2 Policy falls under.

When a CSC Coach, Volunteer Coach, Assistant Coach or Manager is in a potentially vulnerable situation with any CSC player (example – locker room or meeting room), another CSC Coach, Volunteer Coach, Assistant Coach, Manager or the parent/guardian of the player(s) must be present.

In any one-on-one situation with any CSC player, there must be a Coach, Assistant Coach or Manager of the same gender present or the player's parent/guardian must be present.

It is imperative that adults that lead teams of youth players as a coach, assistant coach, or manager, ensure that they do not find themselves as the only adult present during club-sanctioned activities such as practices or games while with a child or group of youth. In order to mitigate against the risks created by such a circumstance, team officials (coaches, managers) should ensure that a second team official is present, or that at least one coach and one team parent are present for a given team activity. Should only one adult be present at the time of any Club event, coaches are advised to cancel, postpone or delay the start of any Club event, practice or otherwise.
